Discover the Dominican Republic

Dominican Republic offers a fantastic combination of environments to capture your imagination and refresh the soul. And with eight international airports, paradise has never been easier to explore. We invite you to discover our breathtaking island sanctuary and create memories that will last a lifetime.

The first hotel on our tour is the five star adults-only all-inclusive **Sanctuary Cap Cana**. A perfect resort for couples in love celebrating their honeymoon, anniversary or just a romantic getaway. In the luxury gated community of Cap Cana we blend Castle suites with Spanish colonial architecture to create a unique, one-of-a-kind luxury stay. Dine in a seafood restaurant on stilts over the ocean or enjoy a beverage in a converted church, it's an experience not many resorts can offer.

Hyatt Ziva & Hyatt Zilara Cap Cana opened its doors in November 2019 and is already has achieved a number 1 rating in Punta Cana on TripAdvisor. This amazing achievement in such a short space of time is down to a number of factors, from the stunning white sand beach, numerous restaurants – the dining at Hyatt Cap Cana takes all-inclusive inclusions and experience to another level. Ziva is for all ages and great for families with a waterpark, Zilara is exclusively for adults.

Hilton La Romana is the final stop on this virtual FAM trip, located on the sandy shores and calm waters of Bayahibe – it's two resorts in one – Adults Only & Family. See with your own eyes a top of the range waterpark with slides and lazy river, spacious suite accommodations and a great all-inclusive dining offering. Premium rooms and suites give guests a host of additional amenities including private Premium guests beach area, Premium pool access, upgraded amenities and personalized check-in and check-out service.
